

BOARD OF TRADE REGULAR MEETING

Despite the cold weather about 30 members attended the regular meeting of the Board of Trade Monday night, when a considerable amount of routine business was transacted with President Beach in the chair.

It was unanimously decided that the secretary write letters of congratulation to all those elected that day for the Town Council and for the School Board and also letters to the unsuccessful candidates for their willing consent to assist in keeping up a lively interest in these important bodies.

Representative of the Gleichen Branch of the Great West Veterans Association and asked that the Board of Trade take up the matter of the erection of a monument to the fallen soldiers of the Opere House, five last night. After considerable discussion George Matthews was appointed a committee of one to meet with Major Lewis and arrange to have an adequate number of members from each society in time to consider the matter, it being recognized that it is no small matter to settle upon and a great deal of care will be required to carry it through successfully.

Also the most important business was that it will be impossible to make the proposition a successful one. The Gleichen Branch of the Great West Veterans Association, who entertained the Eastern Star members, and their friends to a delightful dinner and cards on Tuesday night. A few minutes after nine the Haystack Quartet, who were in town under two songs to the effect that "we are here and we are here no more" and then they had to leave after rendering the two songs to each their train. During this commotion and continued until midnight.

Major Lewis was served in the hall below. After supper the dance was resumed. The players of the orchestra were from Calgary, assisted by Messrs. Bonenworth and Lewis. Major Lewis being master of ceremonies.

HOCKEY NEWS

The Calgary Capitals are to cross hockey sticks with Gleichen's own famous team, Saturday night next, Feb. 17th. The Calgary Capitals have earned quite a reputation for their own team and it is expected that Gleichen rink will be packed with fans that night to see the sport.

The double header of hockey players on the home rink between Gleichen and the Calgary Capitals and the Gleichen Boys Scouts, was a real event for the fans. Both games were hard fought and the teams were evenly matched. The girls played a game, the game resulting in a score of 1-0 in favor of Bussano. The lineup was: Bussano Position, Gleichen M. Connor goal, W. Brown defense, A. W. Brown defense, M. King defense, V. Brown forward, I. Simpson forward, N. Brown forward, M. Milroy forward, M. Garrison forward. The boys game was a hard fight, for the championship of the last ball, with fast lead being played by both teams. The game resulted in a score of 2-2 in favor of the Gleichen Scouts. This is the sixth of a series of eight games played between the teams for a shield presented by the merchants of Gleichen, which the Bussano boys took home last year. The Gleichen Scouts are now leading the last two games. The lineup was: Bussano Position, Gleichen M. Connor goal, W. Brown defense, A. W. Brown defense, M. King defense, V. Brown forward, I. Simpson forward, N. Brown forward, M. Milroy forward, M. Garrison forward. The girls game was a hard fight, for the championship of the last ball, with fast lead being played by both teams. The game resulted in a score of 1-0 in favor of Bussano. The lineup was: Bussano Position, Gleichen M. Connor goal, W. Brown defense, A. W. Brown defense, M. King defense, V. Brown forward, I. Simpson forward, N. Brown forward, M. Milroy forward, M. Garrison forward.

The regular monthly meeting of the Gleichen Women's Institute will be held on the last Tuesday of each month in future, instead of Friday as in the past. The next meeting will be held on February 27th at the home of Mrs. M. J. Brown. The business of the institute is transacted on social evening will be spent. A full attendance of members is required. Monday evening Mrs. Wm. Pinder entertained the ladies of the Gleichen Women's Institute at her

ALDERMEN AND TRUSTEES ELECTION RESULTS

COLD WEATHER RESULTS IN VERY SMALL NUMBER OF VOTES BEING POLLED

Owing to the extremely cold weather on Monday there was little excitement over the election of three councillors and three trustees to serve for the ensuing year. The thermometer stood from 25 to 30 below zero, which retarded any of the voters from the country and most of the ladies in town, while even some of the townsmen failed to turn out, resulting in about only one-third of the electorate using the ballot.

However, those elected will have at least the satisfaction of knowing that they are the choice of the people. While those who want down to defeat need not be disappointed, and should have the courage to try again, though some of them tried to withdraw and let it be known to many that they would prefer not to be elected.

It may be encouraging to Aldermen R. W. Brown and W. F. Ferguson to be re-elected at the head of the poll a token of the approval of their past services. Pete Kelly can also be congratulated especially when it is remembered he was defeated a year ago by only a few votes. Jos. Wright may take it that next year he will allow.

Dr. Farquharson and E. W. Taylor's re-election should assure them that their work proved satisfactory to the electors. Dr. and Mrs. Michael's second attempt goes to show a disinterested belief in fair treatment. Dr. Bowle tried to withdraw and W. W. Brown previously stated a "I do not know why he allowed his name to be nominated. C. J. Harrison no doubt would have received more votes, but was known Mr. Johnston had resigned just after nomination and it is quite probable Mr. Harrison will take him by acclamation.

The result of the election proved as follows, only 81 electors voting:

FOR COUNCILLORS	
R. W. Brown	76
W. F. Ferguson	62
P. Kelly	40
J. Wright	42
SCHOOL BOARD	
G. H. Farquharson	67
E. W. Taylor	56
Mrs. Michael	38
W. W. Brown	39
C. W. Harrison	25
Dr. Bowles	28

NEWS ITEMS FROM QUEENSTOWN

John Kingston is now postmaster at Queenstown.

The contract for hauling the mail to Marysville, Mil, Queenstown and other points, was awarded to the bridge bidders are now in order. Mr. Peterson, the present driver, has done well. There is hoping he gets the contract this time.

Benjamin Hall, one of the pioneer settlers, died on January 24th and was buried Monday, Jan. 29th, in the municipal cemetery at Marysville. A large number of the older settlers attended the funeral. Mr. Hall had been suffering for some years and finally succumbed to geriatrics.

A number of residents are planning to hold a picnic on the district. The Bussano family are coming back to the farm which for a number of years has been occupied by J. M. Allen. Mr. Allen takes over the Holmes place. Mr. M. Holmes left to take a job in the city. The place formerly owned by Wm. Campbell was given up by him and went back to Henry Holter, and P. Smith, who married the wife of Mrs. Betty, will farm it next year. The Dick Mills farm has been rented to Mrs. E. E. Brown. At the last meeting held by the Queenstown U. P. A. held it was decided to meet twice a month until further notice. Meetings to be held on the 1st and 4th Tuesday evenings, at 7 o'clock sharp each time. The question of the farmers will be discussed at these meetings and a dance will be held. There will be no fixed charge for the dances, but a collection will be taken from the men and women. Every farmer and farm woman in the district are cordially invited to attend. Some, when a very pleasant evening was spent at cards and games.

GLEICHEN CURLERS CLEANS UP AT THE BANFF HONSPILL

Bring Home Game Heads, Trophies And Jewelry

Gleichen curlers who took part in the Banff honspill this year did very well considering the experience of some of the players and the kind of opponents they met. The Gleichen rink was composed of Messrs. Brennan, McDonald, McLean and McMillan skip. There were five events and our boys brought home two trophies and cash prizes while Calgary took three. No other outside rink were able to take any of the first prize.

The feature of the Banff honspill was no meeting of the crack Calgary rink and our boys, in the noted vigorous competition for the big game heads. The Calgary rink comprised the noted Alex Côté aggregation, but our boys kept a steady drive game and won at by the splendid score of 9 to 6 and then the Gleichen rink to go in the final with Irvine of Calgary whom they beat quite handsily on level rink, therefore being 12 to 6. Gleichen took next several Banff rinks to go into the finals of the Brew-7 Trophy event and again met the Calgary rink in the final game. This time was the best of the sport and ended by a 6 to 4 victory. A great deal of credit is due our boys for being able to hold themselves out in this game it was a test of coolness as well as the score during the whole winning by a score of 8-7.

Although they were quite proud to be the only outside rink, excepting Calgary to bring away any trophies, the only rink to beat the Calgary aggregation in the whole sport. The prize show on display in Webster's window and are beautiful with winning and also good to gaze upon.

ARROWWOOD BRIEFS

Gleichen boys spent a few days in Calgary last week.

Mr. and Mrs. C. A. Dettler and Miss Leah Lewis and Felix Jones spent some Sunday at the home of Mrs. E. E. Eldon.

Owing to personal illness Rev. D. H. Martz, secretary of the Canadian Bible Society, was unable to fill his appointment at the Bow Valley church on Sunday, Feb. 12th. His absence was regretted by the congregation. Those expecting Mr. Martz Sunday were disappointed as Rev. Luther Shatto delivered two of his discourses that day.

The gracious invitation of the Consolidated School was filled well above to meeting capacity a week ago last Friday evening for the U. P. A. meeting and other parts of the social affair. Vice-Prof. Nelson and Mrs. Lyle kept the crowd in good spirits with their excellent singing. A crowd of nine sat on the play "Gleichen and the Riders' Night". From comment heard the character is most favor with the crowd seems to be George P. Campbell, in the character of "Mackin, the entertainer". What ever success the play may have been in the small measure to Mrs. R. E. Williams, director Mrs. R. E. M. Brink, critic and Miss Clara Adams, who worked the play by the street. Between Mrs. V. E. Fort, Net or real quite an elaborate bit of poetry of poetry, which seemed to be much enjoyed by the crowd and which in the U. P. A. and club parties were quite accurately and faithfully characterized.

The U. P. A. meeting decided to have the chairman appoint a committee of three to decide upon the feasibility of a pie or cake social to go toward buying dishes and furniture, with which to make efficiently serve and enjoy future lunches. Following this program the crowd retired to the backwash room. Though the salads were noticeably lacking, the vast array of cakes and other delicious bits of the menu almost bewildered those who were filling their plates. Shortly after midnight the crowd dispersed.

FARM LANDS WANTED

We have just completed a 1920 mile drive in the beautiful Willamette Valley in Oregon. We have personally inspected a number of places there in exchange for Alberta wheat lands and wish to hear from owners of land in the Gleichen district, to exchange for Oregon farms. Give full particulars of first letter.

Custom Grain Grinding done by J. A. Renaud.

TOWN AND DISTRICT

Major Lewis returned Saturday from the G. W. V. convention at Edmonton, in response of the Gleichen branch.

Thanks for the valentines received at the Call office, but they are much better looking than the editor is—we are flattered. Nephew thought we had so many thoughtful friends. Drop in to see our art gallery.

Mrs. H. Dexter McKay still has a liking for Gleichen. She writes from Edmonton that she notes the Purcell cup remains at Bassano, and suggests that Gleichen form a ladies curling club and send them after the cup, and says she bets the ladies will bring back the cup if they have to steal it. It's worth trying, Mack. 47

On Wednesday, February 22nd, another of these very enjoyable events is to be given in the Living Springs School House. This time it is to be a Hard-Tone Dance, with music for the best costume, or we should say the worst present that evening. There is bound to be fun and games and all will be most cordially invited to attend.

A hockey team from Calgary, who a year down this way last week, were beaten at every point by the Gleichen team, and they were beaten, then about 6, and were not about three counting, plus no report has reached this far yet. Some day the folks from the city will realize that country folks are not so easy to beat.

The Church calendar, which has just been issued, contains a list of the officers and organizations of the church, and a syllabus of the subjects, which from time to time will be discussed by the pastor at the Sunday evening services. The themes are some of a most interesting and practical nature, and their consideration should prove stimulating and instructive.

Monday night the Calgary Haydn Quartet gave one of their high-classed concerts at the Arrowood Consolidated School, and on their return journey to Gleichen after the concert were lost on the Blackfoot reserve for the night. Mr. Henry, their driver, is well acquainted with the reserve trail, yet made a circle and struck the same track twice in about three hours drive, where the party remained until dawn. With the thermometer standing about 38 below it was no joke, and the quartet will have something to remember the remainder of their days, fortunately none of them suffered seriously from the frost.

CARD OF THANKS

Mrs. Chas. J. Suffredini thanks the Rev. Canon, for the efforts through the church, to help her through the illness and kindness he has shown her and her husband and her friends. Especially to the members of the O.M.C. and Margie and all who so materially assisted in alleviating her sorrow and that of her little son Charlie.

ILLUSTRATED LECTURE NEXT TUESDAY, FEB. 27

On Tuesday evening next at 8 o'clock, Feb. 27th, an illustrated lecture entitled, "Protestantism in Ireland," will be given by the Rev. John Pate in the local Masonic Hall, under the auspices of the Gleichen L.O.L. No. 2218. Admission free.

ST. ANDREW'S CHURCH

February 18th. 1st Sunday in Lent. Morning prayer. 11 a.m. Evening prayer. 7:30 p.m.

The Rev. W. J. Silverwood, of Bassano, will conduct all the services. On February 15th, the W. A. will play at the home of Mrs. Walsh at 8 p.m.

UNION CHURCH NOTES

SUNDAY, FEBRUARY 18, 1923

Sunday School and Bible class at 10:30 a.m.
Family worship at 11:30 a.m.
Subject: "The Unlearned Cane."
Evening service at 7:30.
Subject: "Is It Wrong?"
Special music by the choir.
Everybody made welcome.

Pictorial traveling in the church, Saturday, at 8 o'clock, "Wonderland and Beyond".

To meet the wishes of a number of friends, arrangements have been made for the holding of a series of travel talks in the Union Church on Saturday evenings, if place of Friday. This will meet a felt want for some where to go on Saturday evenings.

STABILITY OF CANADA'S RAILROADS DEPENDS ON FREEDOM OF MANAGEMENT

President of Canadian Pacific Points Out How Canada May Avoid Costly Mistakes

A special article written for the Annual Financial number of the "Montreal Gazette," E. M. Beatty, C.E., President of the Canadian Pacific Railway, makes a plea for the keeping free of Canada's railroad management from legislative and political restriction. The subject of unusual interest at this time, and Mr. Beatty points out that Canada has something to learn in this respect from the somewhat unhappy experience of the United States. "Article as it follows—

"Canada has been long in the process of adopting new ideas, but in the United States, while the conservative attitude may have drawbacks, it sometimes has its advantages. It is enabled to study the progress of experiments conducted by other people before adopting them.

The extent to which the American railway system has been thus benefited by the experience of other people is most apparent in the case of the Interstate Commerce Commission. This official interference with the operations of the railroads, with the result that the capital required for the operation of the railroads is increased, and the operations are hampered, and the service to the public is lessened, is a thing which Canada has not yet encountered.

For this reason, it is not surprising that the American railroads have been able to distribute the much needed funds for the improvement of the railroads, and the service to the public, in a more efficient manner than the Canadian railroads. The Interstate Commerce Commission, which is a body of public utility, has been able to do this, and the Canadian railroads have not yet been able to do so.

A FEW WORDS OF APPRECIATION

We desire to take this opportunity of thanking the fire department and volunteer helpers for their strenuous admirable work in saving our store and stock from destruction during the recent conflagration, thus enabling to carry on
